Inspiring Christian Character

Fees - Introduction

Bayside Christian College appreciate and understand the many challenges parents face in raising their children in such a rapidly changing world. We understand that neither schools nor parents can travel this journey alone, and that in order to best provide for every child, there needs to be a genuine partnership. One in which we help every child grow and flourish, to find themselves, to discover their God-given gifts, and to start exploring the purpose He holds for their life.

We also understand the significant financial pressures faced by families, and make every effort to ensure that all parents have the opportunity for their child to grow up in a distinctly Christian environment, one in which we not only teach these beliefs but actively live by them, one in which children can grow, learn, and engage with each other in an environment of genuine care, high standards, and one in which they can learn to rise above the fallen aspects of society.

The Board of Bayside Christian College seek to maintain our fees as low as possible in order to support our families, and aim to ensure transparency in the structuring of our costs.

This document details the College's fees and the associated Terms and Conditions, associated with these payments. Should you have any questions in relations to these fees, you may contact the Director of Business and Finance, Mr Sam Kanoun on sam.kanoun@bayside.qld.edu.au.

We welcome you to our Bayside family and pray God's blessing on your journey with us!

Fees – At a Glance

Bayside Christian College aims to provide an Inclusive Fee Schedule* each year. This means that the Annual Tuition Fee includes all costs associated with the educational program. This is so often not the case at many schools, and this makes it very difficult to compare the value presented by their individual offerings.

The enclosed Fee Schedule for Bayside Christian College is inclusive of the following:

- Annual Tuition Fees;
- Technology Device (provided by the College)
- All Textbooks;
- College Diary and Yearbook;
- Excursions deemed compulsory for the educational program;
- Visiting performances; and
- Camp costs (where applicable).

*The Annual Tuition Fees charged do not include:

- College uniform;
- Personal stationery;
- Family Building Levy.

Our Fees make us the most affordable independent school in Hervey Bay!

Billing of Fees

Fees are billed in equal instalments at the beginning of each Term (each Quarter). Families who wish to pay their College Tuition Fees as an annual lump sum, are offered a 5% discount for early advanced payment. This discount is only provided for annual lump sum payments.

Due dates for the payment of Fees are provided with each invoice and are noted here as the end of the 2nd week of each Term.

Parents may request to pay their Tuition Fees on a weekly basis. This is subject to agreement by the College and will only be agreed to on the basis of the establishment of a direct debit plan. Requests for such payment plans must be made in writing to the Director of Business and Finance, Mr Sam Kanoun on sam.kanoun@bayside.qld.edu.au and any agreement made to be confirmed in writing by both the parents and the College.

Unless formal arrangements have been made with the College, all Fees are due and to be paid by the 2nd week of each Term.

Payment options:

Parents may pay their Tuition Fees through the following means:

- Direct deposit - Account Name: Bayside Christian College BSB: 034-136
Account Number: 329054
- BPay (details to be provided on invoice)
- Pay through Parent Lounge Portal

It should be noted that:

- Tuition Fees must be paid in full for a child to take part in a range of optional activities;
- Should College Fees fall into arrears and no payment agreement/plan has been set in place or agreed to, the Principal may refuse to allow the student to return to the College until Fees have been paid or a payment agreement is in place, or indeed terminate the enrolment under the Terms and Conditions of the Enrolment Contract and this Agreement.

The College is only able to maintain this low fee structure when parents pay their accounts in full and on time. Parents who do not pay their fees and who make no effort to work with the College in establishing a payment plan will have their debt handed to College lawyers who will seek the immediate payment of the debt through legal processes.

It must also be noted that should this become necessary, all costs incurred in the collection of these fees will also be sought. The College makes every effort to support parents in financial difficulty, offers bursaries when needed, and works to support families, but can only do this when there is good faith dealings and an intent to resolve the payment of fees.
