Bursary Support Program 2023

Bayside Christian College is pleased to offer financial support to families of the local Hervey Bay Baptist Church, Fraser Coast Baptist Church and other local Churches who would like to join our community, but who cannot afford the fees as a result of financial hardship.

Families in such a situation, should talk to their Church Pastor or an Elder of the Parish to seek their support in applying for our Bursary Support Program.

In order to be eligible for this program, parents making the application, must be communicant members of the Church and be active in the life of the Parish.

The Bayside Christian College Bursary program is designed to provide support to members of these communities to access a high quality, Christian education at Bayside Christian College.

Successful applicants will be expected to maintain their active engagement in the life of the Church and support and aid in the development of the College's Ministry and Service offerings.

Interested Applicants must complete the application form and **submit it to the College by 30 October**. For further details – go to www.bayside.qld.edu.au

Please note that these Bursaries can only be offered if a place exists for enrolment at Bayside Christian College. Families interested in applying for this Bursary are advised to apply early to have an opportunity of being offered a place at the College.
