Have you applied for enrolment at Bayside Christian College?	Yes	No	

Applications for the Bayside Christian College Drum Corps are highly competitive. The College welcomes your application and thanks you for your interest in both our College and our Drum Corps. To be accepted into the Drum Corps Scholarship Program, you must be already enrolled at the College or for prospective students, be offered a place at the College. These are two different processes. Students may be offered a place within the Drum Corps Scholarship Program pending an offer of enrolment at Bayside Christian College.

The Drumline Scholarship Program is one of the premier offerings of the College and admission to this program is highly competitive. Interested students need to complete this application form and include a one-page statement which addresses the following:

- Why do you wish to join the Drum Corps?
- What will you bring to the Drum Corps?
- What past experience if any do you have in Music or Percussion?
- Why should you receive a Scholarship for both the Drum Corps and Bayside Christian College?

Students accepted into the program will be granted a generous Scholarship for Drumline tuition and for the College Fees of Bayside Christian College. This Scholarship is conditional upon active participation and attendance at Drum Corps practices and performance (some of which are outside of school hours) and the demonstration of the high standards expected of Bayside Christian College students.

I thank you for your interest in the Bayside Christian College Drumline and wish you every luck in your application.
